

# Development Infrastructure Grant Program (DIP)

The Development Infrastructure Grant Program (DIP) is a grant program that is available to fund publicly owned infrastructure. Funding from this program can be used by municipalities and counties to assist with the location or expansion of businesses. Usage of the funds must be directly related to the construction, renovation, or expansion of industry.

## Examples of eligible projects include:

- Drainage systems
- Water and sewer systems
- Roads, bridges, and rail spurs
- Buildings (rehabilitation/expansion)

## Program Facts

Job creation is the goal of the Development Infrastructure Grant Program. Typical industries that are eligible under this program include:

- Manufacturers
- Warehouses and distribution centers
- Research and development facilities
- Telecommunications and data processing facilities
- National or regional headquarters

Municipalities and counties must apply on behalf of a new or expanded industry based on the public infrastructure needs of the project. The Development Infrastructure Grant Program provides for a **maximum grant amount per project of \$150,000**.

For further details, see the *Development Infrastructure Grant Program Guidelines*, *Development Infrastructure Grant Program Application*, and Section 57-61-36, Ms Code 1972, Annotated.
